

§ 1410.3

7 CFR Ch. XIV (1–1–08 Edition)

319 of the Federal Water Pollution Control Act (33 U.S.C. 1329) as water quality protection areas, sole source aquifers or other designated areas that result from agricultural nonpoint sources of pollution. Acreage in these areas may be determined eligible as conservation priority areas.

Technical assistance means the assistance provided in connection with the CRP to owners or operators as approved by CCC, for developing conservation and/or tree planting plans, determining the eligibility of land and practices, implementing and certifying practices, and ensuring contract performance.

Violation means an act by the participant, either intentional or unintentional, that would cause the participant to no longer be eligible for all or a portion of cost-share, incentive, or annual contract payments.

Water Bank Program (WBP) means the program authorized by the Water Bank Act of 1970, as amended, in which eligible persons enter into 10-year agreements to preserve, restore, and improve wetlands.

Water cover means flooding of land by water either to develop or restore shallow water areas for wildlife or wetlands, or as a result of a natural disaster.

Wellhead protection area means the area designated by EPA or the appropriate State agency with an Environmental Protection Agency approved Wellhead Protection Program for water being drawn for public use, as defined for public use by the Safe Drinking Water Act, as amended.

Wetland means land defined as wetland in accordance with provisions of part 12 of this title.

Wetlands farmed under natural conditions means land defined as wetlands farmed under natural conditions in accordance with provisions of part 12 of this title.

Wetlands Reserve Program (WRP) means the program authorized by part 1467 of this chapter in which eligible persons enter into long-term agreements to restore and protect wetlands.

§ 1410.3 General description.

(a) Under the CRP, CCC will enter into contracts with eligible participants to convert eligible land to a conserving use during the contract period in return for financial and technical assistance.

(b) A participant must obtain and adhere to a conservation plan prepared in accordance with CRP guidelines, as established and determined by CCC. A conservation plan for eligible acreage must be obtained by a participant and must be approved by the conservation district in which the lands are located unless the conservation district declines to review the plan, in which case the provider of technical assistance may take such further action as is needed to account for lack of such review.

(c) The objectives of the CRP are to cost-effectively reduce water and wind erosion, protect the Nation's long-term capability to produce food and fiber, reduce sedimentation, improve water quality, create and enhance wildlife habitat, and other objectives including encouraging more permanent conservation practices and tree planting.

(d) Except as otherwise provided, a participant may, in addition to any payments under this part, receive cost-share assistance, rental or easement payments, tax benefits, or other payments from a State or a private organization in return for enrolling lands in CRP. However, a participant may not receive or retain CRP cost-share assistance if other Federal cost-share assistance is provided for such acreage under any law, as determined by the Deputy Administrator. Further, under no circumstances may the cost-share payments received under this part, or otherwise, exceed the cost of the practice, as determined by CCC.

§ 1410.4 Maximum county acreage.

(a) Except as provided in paragraph (b) of this section, the maximum acreage that may be placed in the CRP and the WRP may not exceed 25 percent of the total cropland in the county; further, no more than 10 percent of the cropland may be subject, in the aggregate, to a CRP or WRP easement.

(b) The restrictions in paragraph (a) of this section may be waived by CCC if
